### Product and ordering information

**Model available in price groups 6, 8, 10, D, H, J, M and X -**

**Please refer to our current fabric/leather collection for the fabric/leather selection**

#### **STRUCTURE:**

**Seat:** Feather-proof ticking with polystyrene balls.  
A particularly casual upholstery is characterized by a very soft / loose surface. Already in new condition the covers exhibit a pronounced wave pattern purposefully based on the design and structure. The upholstery will adjust to the shape of the body and the firmness of the seat will give a little bit.

**FUNCTIONS:** none

**Seam:** Piping

**Decorative fabric:** This model is also available in the decorative fabrics Classy und Flower Power. The decorative fabric is not produced in repeating pattern.

**Bottom:** covered with a cotton twill in black

**OTHER:** All materials used meet the requirements of the DGM according to RAL GZ 430.  
The appearance of the stitching may vary depending on the fabric, leather and synthetic leather used. The definition of quilted mats and cushions depends on the design and structure. The appearance of ornamental, fell and and double-stitched seams may vary depending on the fabric, leather and synthetic leather variants.

All material-related information can be found on the back of the individual fabrics and leathers in our fabric and leather samplers.

All dimensions stated in the pricelist are approximate dimensions in cm, determined according to usual measuring method (see RAL-GZ 430) and in unused new condition. Please note that in case of very light upholstery especially the seat height and seat depth can be discerned during the course of use to the dimensions mentioned. We reserve the right to make changes in shape, colour and design within the scope of technical progress. Please always order from left to right as standing in front of the suite.
